

Frontier Middle

Evergreen School District

2010-11 Science Kit Schedule

bo.haldeman@esd112.org or call 360-750-7513

| | 1st Trimester | 2nd Trimester | 3rd Trimester |
|---|------------------------------------|---------------------------------------|--|
| | Delivery: Aug 26 Pick Up: Dec 6 | Delivery: Dec 21 Pick Up: March 14 | Delivery: March 31 Pick Up: June 20 |
| 6 | Planetary Science | Light | Diversity of Life |
| 7 | Energy, Machines & Motion | Human Body Systems | Catastrophic Events |

| | Year Long | 2 units each per building to share among 8th grade |
|---|--------------------------------------|---|
| | Delivery: Aug 26 Pick Up: June 20 | These units will no longer be "refurbished" for each teacher. Please take care with the materials and condition of the unit as you share it among your peers. Permanent items should remain in the unit, not in individual classrooms, in a clean reusable condition. All units and materials will need to be returned back to the Science Center at year end...thanks! |
| 8 | Earth History | |
| 8 | Populations & Ecosystems | |
